

Dear Valued Customer,

The Ontario Government issued an extensive list of essential services that will remain open amidst the current Covid-19 crisis.

Our products and services are included in this list. Orders will continue to be delivered and our service levels will remain consistent. (with the exception of custom stamps)

As mentioned earlier this week, we are now offering FREE home office delivery as many of our customers have staff working remotely from home. We do strongly encourage customers to use online ordering whenever possible for the short term and until notified otherwise.

Thanks for your continued support and cooperation.

Our team is here to support you during these unprecedented times and we are available for any questions or concerns you have.

Above all, stay safe and healthy.

We sincerely appreciate your business.
